## EDUCATION

**2022-2026**

Bachelor's degree in Applied mathematics of Belarussian State University

## SUMMARY

Motivated and detail-focused student, fueled by a profound enthusiasm for delving into the intricacies of data analysis. Intrigued by the prospect of converting insights into effective and actionable strategies

## SOFT SKILLS

- Analytical Thinking
- Communication
- Time Management
- Leadership
- Stress Resistance
- Problem Solving
- Adaptability
- Creativity

## HARD SKILLS

C++ :
- C++ - intermediate

Standarts:
1. C++ 20
2. C++ 98
3. C++ 17
- CMake - intermediate
- WinAPI - novice
- CPP unit test framework - novice
- Assembly - novice

Java :
- JavaFX - intermediate
- JUnit4 - intermediate
- Spring - novice
- Build systems: Intellij , Maven - intermediate
- DBconnection - novice

SQL:
- MySQL - novice

Virtualization engine:
- Parallels Desktop
- VirtualBox

MacOS, Windows, Linux

Mathematics:
- Algorithms solving
- Probability theory
- Mathematical analysis
- Linear algebra

## LANGUAGE

Belarussian(native)
Russian(native)
English(B1)

## COURSES

Version Control with Git, Epam
NET WarmUp (2023Q3BY), Epam
sql-ex (SQL)
